AUTUMN TREASURES

The children eagerly shared their Autumn finds, such as conkers & colourful leaves, whilst listening well and waiting for their turn.

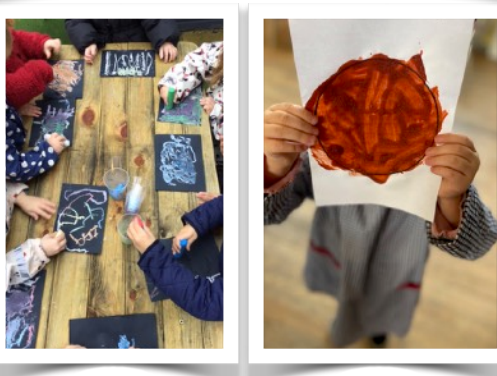

Our New Book Shed.

Brookscroft Children's House have a new book shed, just like Penrhyn's! Commission from school photograph orders helped us to buy this wonderful addition to the garden. It has been filled with lots of fun new resources, puppets and books.

Children In Need.

We will be fundraising for Children in Need this Friday, the 15th November. The children are invited to come to school in spotty clothes for a day of fun and baking at WMS! Brookscroft Children's House will be selling their baked goods. We suggest a donation of £1 to go to this wonderful charity. WMS will match the donations.

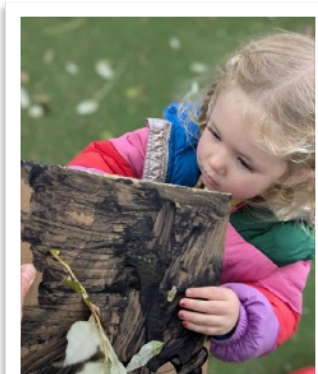

Last week at WMS the children had fun learning about Bonfire Night and Guy Fawkes' Day, creating vibrant artwork with pipettes and turkey busters to make firework pictures.

The children also enjoyed exploring textures by drawing fireworks with wet chinks, while discussing the sights and sounds of fireworks.

Our focus was Mars, and the children discovered interesting facts about the planet, such as its sandy, rough red soil. They made Space Rock Buns, measuring ingredients and mashing bananas, which was especially fun. After baking, the buns were decorated with sparkly edible glitter.

At Brookscroft Children's House, the children explored their new outdoor reading shed, filled with storytelling puppets, story cards, books, phonics mats, and writing tools. They also had a great time during their Out and About session in the garden, painting trees and poking fallen leaves through the painted holes.

This week, we'll be learning about Venus and focusing on the sound of the week: 'v'.

Book of The Week.

Little Goose's Autumn by Elli Willard & Briony May Smith. An exciting picture book about a lively young goose trying to find her place in the world.

Illnesses.

Please be aware that there are many illnesses doing the rounds at the moment. Lots of coughs and colds, as well as Hand, Foot and Mouth. Please do not send your child to school if they are at all unwell and follow our exclusion policy. We thank you for helping to keep our school as healthy as possible, preventing staff from being ill themselves, which could result in class closures.
