TREE LIGHTS

Lots of excitement to come on Mon 2nd Dec, as the Christmas lights on our lovely Christmas tree get switched on!

2

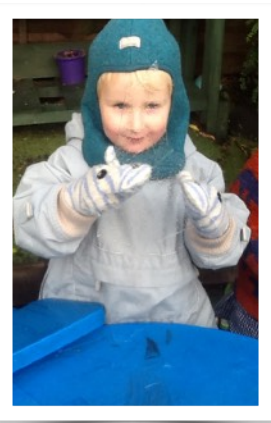

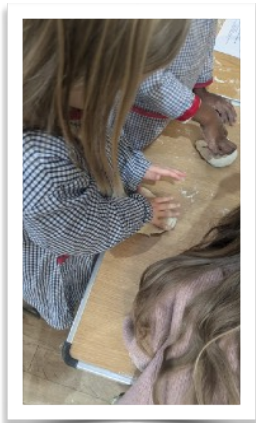

TREE DECORATIONS

Don't forget to bring a Christmas decoration to school on Tuesday 3rd December, to help decorate the school tree.

3

CHRISTMAS JUMPER

Wear your Christmas jumper to school on Wednesday 11th Dec, for a day of festive fun!

Last week at WMS, we celebrated Thanksgiving.

The children enjoyed learning about it and tasting some traditional foods, such as pumpkin and potato mash. We had lots of chats about what makes us thankful. At Brookcroft, the children made turkeys in the garden with leaves and paint. Then, they made fresh bread rolls.

During our Out and About session, we spoke about the changes we see as we go from Autumn to Winter. It has been much colder, and the children have loved exploring the ice that has appeared a few times overnight.

We have begun making Christmas decorations in preparation for our upcoming Christmas concerts and we have continued to practise our Christmas songs.

Favourite Montessori activities have included scrubbing chairs with soap and water, building the Broad Stair & pairing colour tablets. The children in Elm & Oak classes have been practising writing their names, using their name cards to copy. Such activities help the children to develop good concentration, hand and eye coordination, and fine motor skills.

This week's sound is 'c' and the number is 9.

Book of The Week.

'The Way Back Home'. Another magical story from Oliver Jeffers, about a boy, an aeroplane and a trip to the moon.

Tea Towels.

Don't forget to place your order with the office for a school tea towel, featuring self portraits of all the children at WMS. They are being printed and expected very soon!

Environmental Health Inspection.

As a result of our regular, unannounced inspection, we are very pleased to let you know that we have maintained our 5* rating. The inspection was rigorous and at least one local nursery has been closed down as a result of findings during an inspection. A huge thank you to our WMS team for keeping our building safe and hygienic.
