

Walthamstow Montessori School

Our Weekly News

Out And About At WMS.

Each week, all the children at WMS have at least one lesson outdoors, which we call "Out And About".

Last week, the children at Brookcroft enjoyed making birds' nests, by using tissue paper to make rings and then adding twigs and other natural findings to build their nests with glue.

At Penrhyn, the children wore their wellies and did lots of boot dipping in mud and then stamping on large paper to create some lovely prints, which they absolutely loved!

Spring Term Fees.

The last instalment of the Spring Term Fees was due by the 9th February. Please ensure your payment is made. Payments chased or made after this date will incur a £50 Penalty Late Fee each week the fees remain outstanding. Thank you very much.

Wellbeing Day.

On Wednesday, we will be holding our annual Wellbeing Day, a favourite with all the children and teachers.

The teachers have planned lots of fun activities for the children, including some yoga sessions and making some healthy and delicious fruit kebabs!

1

WMS NEWSLETTER

Our weekly newsletter is sent out every Monday. Look out for it in your inbox; it will keep you up to date with all things WMS!

2

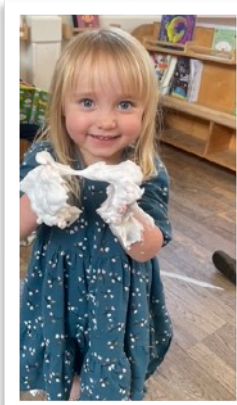

HALF TERM

School will close for a week on Friday 14th February at 3pm, but Tea Timers will run as usual on that day.

3

HOLIDAY CLUB

Easter Invoices have been sent and were due by Friday 7th February. Please contact the office urgently if you have not received yours.

Last week at WMS.

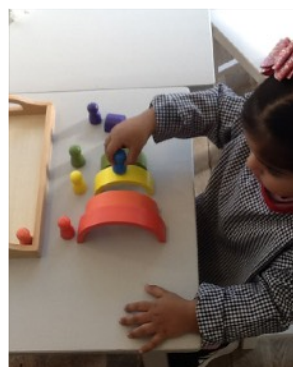

The children enjoyed a sensory mark making activity with shaving cream, glitter and sticks. They used torches and colour reflectors to explore how shadows look in different lights.

The youngest children worked on their cutting skills; they also matched colours and learned about sizes. They baked their own pizzas, making the dough and topping the pizzas with tomato puree and cheese. The older children made vegan cupcakes.

The children also chatted about ‘p’, the sound the of the week, exploring objects starting with ‘p’ and painting lots of them with pink paint!

The older children experimented with shaving foam and pipettes full of blue water to understand what happens when rain clouds are full and produce rain. They all chatted about predicting the weather of the day and the meaning of the word ‘meteorology’.

The children at Brookscroft also had lots of fun sketching their own Joan Miro inspired portraits, exploring shapes and colours.

Book of The Week.

‘Rain’ by Sam Usher. Another delightful book by Sam Usher about a little boy called Sam and his grandpa, who decide to go on a magical adventure in the rain!

Valentine’s Day.

We have another special book this week for Valentine’s Day and Wellbeing Day. ‘Friends Forever’ by Mary Murphy, a sweet and uplifting story about two adorable monkeys who are the best of friends.

Free Half Term Activities.

Take a look at the [free activities](#) on offer this half term in Waltham Forest, including soft play and music and movement for younger children.
