Our Weekly News

What's new?

Exciting new things are happening at WMS!

We have put up a new 'green grass' fence around the whole garden at Brookscroft, which is giving us lots of welcomed privacy and a lovely green aspect. The garden has been tidied up and we have created new spaces for the children to enjoy and sit, and join in Out and About sessions.

We have also prepared new garden beds and the children have absolutely loved to plant herbs, flowers and tomatoes in them.

1

SCHOOL TRIPS

We have planned school trips to the Tree Trail at Lloyd Park for all the children this term. More details to follow very soon.

SCHOOL PHOTOS

Penrhyn: Wed 7th May
Brookscroft: Thu 15th May
Please ensure your child is wearing a clean school smock and black plimsols.

3

SUMMER SCHOOL

Summer School will run from Wed 23rd Jul to Fri 8th Aug.

Booking forms must be returned to us by this Friday.

VE Day.

We will be marking the 80th anniversary of VE Day on Thursday, the 8th, by wearing red, white and blue clothing. We will do some cooking and talk about life for children in the forties.

School Leavers.

If you have given the school notice that your child will not be returning to WMS in September, you should have received an acknowledgement letter from the office and a Leaver's Form. Please contact the office urgently if you haven't. Thank you.

Lowry Gallery.

Lark visited the Lowry Gallery in Manchester during the Easter break. There, she admired many Lowry paintings.

Last week at WMS.

The children thoroughly enjoyed exploring our Transport topic further, with garden activities like car washing and making tyre prints in sand and paint. They also made small round pizzas whilst discussing wheels.

The children at both schools enjoyed working with our maths materials. Visitors to the school last Friday commented on the great focus they observed in the children at Brookcroft, who were working with the Golden Bead materials and Seguin Boards to learn about numbers 11-99. The youngest children at Penrhyn impressed them with their understanding of the routine and their emerging independence.

The children have continued to look after our new flowers, herbs and tomatoes; each class has taken a turn at watering them. They are also captivated by our caterpillars and the changes they observe daily. Arthur was Seedlings' proud flower monitor.

On Wednesday, Penrhyn had a wonderful music session with Musicadoo. The children took an imaginative train journey around the world, learning about countries, people & instruments. They loved the deep sounds of the large instruments and dancing to varied tempos. We hope to welcome Musicadoo back regularly this term.

Book of The Week.

'Henry The Helicopter', written by the 'Read For You Centre'.

When a forest fire erupts, it's Henry the helicopter to the rescue! Cars can't reach where he flies, and with his special tools, he saves people, pets, and even cranky wild animals. The story includes fun bonus activities at the end of the book too.

Brookcroft Garden Visits.

Are you a Brookcroft parent? If so, we would love you to join us on one of our upcoming garden mornings.

Why not come and see what's new in the garden and do some gardening with your child at WMS? Stay a while and join in whilst they explore and play.

Look out for an email very soon with more details on how to book your place on Tuesday 13th or Thursday 22nd May in the morning. Please note places are limited and sessions last 45 minutes.

Need to contact us?

Here are all the important details you need:

To contact the office, dial:
