Policy Production and Review

At WMS, school policies are produced as and when necessary. The policies are reviewed annually, however wordings undergo comprehensive review every 2 years and any necessary amendments are made at that time. This review process will take place more frequently in the event of a change in legislation or standard/acceptable practice.

WMS also have a policy of the month, every month of the year, which is shared with parents, staff and published on our website. This enables a focus on a particular policy each month.
