

Happy 25th Birthday Walthamstow Montessori School

“We are amazed by the creativity and thoughtfulness behind every activity. Our little one is learning letters and numbers through play, and we couldn’t be happier with the progress.”

A & S, former WMS parents.

Happy 25th Birthday WMS!

As we approach the day of the school’s 25th anniversary, Miss Lorna has been thinking about the school’s buildings over the years. There have been 4 in total, several which were additional accommodation for the older children.

Each building has felt very special but it’s Penrhyn Hall which has been Miss Lorna’s ‘second home’ for 24 of those years and where children have been safe and valued and have experienced the best start to their education that she could provide them with. Thank you Penrhyn Hall for being such a lovely place for us all for so long.

1

WMS NEWSLETTER

Our weekly newsletter is sent out every Monday. Look out for it in your inbox; it will keep you up to date with all things WMS!

2

SEEDS PLEASE

Hello, we are enjoying our gardens in the sunshine and doing lots of planting. If you have seeds to spare that you could donate to us, we would be very grateful!

3

CINEMA

If you are thinking about a little family trip to the cinema soon, ‘A bug’s life’ is currently showing and would link nicely with our minibeast topic.

Birthday Week.

On Thursday, the school will be 25 years old! We have lots of wonderful activities planned to celebrate, such as a picnic lunch in the garden altogether! There will be cake and games too, face painting and special visitors, including Miss Lorna’s daughter Eliza who was Pupil #1 all those years ago!

Don’t forget to create your birthday cards (A4 size) and send them to school before Thursday so we can display them all!

We also look forward to receiving your book gifts to mark the occasion and create a special commemorative library collection, as we did previously on our 5th and 10th anniversaries. Please don’t forget to include one of our special book plates inside the front cover with your family’s details, so that your book can become a valuable keepsake for us all.

Last week at WMS.

Seedlings Class practised “Walking on the Line” like spiders, made handprint spiders and welcomed four pet worms, even naming them, after Finley’s mum suggested this exciting activity!

Acorn Class also had a busy week. They welcomed lots of new little friends who are settling. They also started to learn facts about spiders and studied the colour blue, looking at different shades of it too.

Elm Class went on a blue object hunt around their classroom, compared shades, experimented with blue coloured water and found lots of ladybirds in the garden.

Oak Class explored minibeasts, cared for new class pets, a snail and some spiders, and revised number 1, the colour blue and the square shape through many fun activities.

At Children’s House Brookscroft, the children learned many spider facts, practised the “S” sound, as well as their cutting skills by cutting squares, and they explored shades of blue through art activities. Highlights also included spider web painting and making flower petal butterflies during Forest School.

Birthdays were celebrated with Montessori Birthday Walks, Flower Monitors cared for their flowers and Everywhere Bear’s adventures were shared at circle time.

Book of the Week.

This week, all classes will be reading ‘Pip and Posy, The Birthday Party’ by Camilla Reid, as we celebrate the school’s birthday.

It is Posy’s birthday, and she’s full of excitement! Pip arrives at her party with a gift, and they enjoy playing games together. But when a mishap happens at teatime, will they be able to work together to save the celebration?

Earth Day.

Earth Day will take place on Wednesday, the 22nd April. Earth Day is an annual event to demonstrate support for environmental protection and we will be talking to the children about how we can all play our part.
